D per resolution of the mel the Dycomm has consulted the President and the latter has also agreed to the same and the fact has also been brought out in the order sanctioning the appointmen

4 From the above it is seen that the question of having a chief officer was fully discussed and settled after consulting the Mel and the pay of the incumbent was also fixed previously The man selected possesses the requisite qualifications, in as much as both the Dycomm and the President of the mel are agreeable to the selection

5 As regards the absorption of the officials referred to by the Dycomm, his attention is invited to para 1 of my G.O. of 10/8/28, wherein the DC has suggested that the present Sanry Inspector may be replaced by a man on a less pay and that the Revenue Inspect and mil Subordinates may be abolished The President was agreeable to this proposa It was on this that the pay of the Chief officer was fixed at Rs 150+25 pm It is now for the mel to give effect to the order, in consultation with the Senior Surgeon and other Dycomms of Distts The present appointment cannot be put off on this account

General Secretary to the Government of
His Highness the Maharaja of Mysore
Bangalore

Sir,

With reference to Government Order No 5338-9/M1 105-28-7 dated 5th February 1929 appointing Mr T Ladhava Rao, as Chief Officer of the Tumkur Municipality I have the honor to enclose herewith, a resolution passed at a Special meeting of the Municipality on 23-2-1929

In this connection, Mr K Rangaiengar President of the Municipality, had come to see me this morning He wanted me to draw the attention of Government to section 186 of Mysore Municipal Regulation according to which the Government have first to apply to the Town Municipal Council of Tumkur, the provisions of Section 182 of the Regulation so far as they relate to the appointment of a Chief Officer and also Sections 183 184 and 185 and then appoint a Chief Officer as otherwise the appointment would become ultra-vires Government have done so in the case of Tiptur Municipal Council vide Mysore Gazette dated 19th January 1928)

Mr Rangaiengar also told me that the Government Order was quite silent about the pay to be given to the Chief Officer He wanted definite instructions on this point It would appear that there is a feeling amongst some of the Municipal Councillors that Mr Madhava Rao's qualifications were not sufficiently high to warrant a pay of Rs 150/- plus 25 being given to him There was no objection for himself being taken on his present pay along with an allowance of Rs 25/-

The Municipality have now got an Overseer and a Revenue Inspector Both these officials have to be absorbed elsewhere before the Chief Officer could be - taken by the Municipality Mr Rangaiengar, requested me to absorb the Reverue Inspector in the Revenue Department

Some of the members of the Municipality had come to see me and they represented to me, that they wanted an officer of Engineering qualifications preferably a Graduate as their Chief - Officer who would also be competent enough to look after the Water-works and other matters connected with Public Works They also represented to me that as at present no particular necessity is felt for the appointment of a Chief Officer the question of his appointment may be considered when the life of the present Municipal Council terminates, at the end of another one year and four months As these members are influential men of the locality and also on the Municipal Council I have thought it fit to bring their representation to the notice of Government

I have the honor to be

To

The Deputy Commissioner

Tumkur District

Tumkur

Most Respected Sir,

We the under signed rate payers of the Tumkur town, beg to bring the following facts to your kind consideration

From what has happened during the past one year in connection with the town municipality of Tumkur it is clear that the Council is not working harmoniously To mention a few recent facts which need an urgent interference and an immediate redress, We would like to invite your kind attention to the difference of opinion expressed by councillors regarding the appointment of a chief officer to the municipality, for which there is no necessity at present Having regard to its financial position but by ulterior considerations a few councillors are anxious to carry through some of their propositions both out in the least minding the heavy expence and waste of public funds that such proposition

may entail It is needless for us to point out that the appointment of a chief Officer is one such

Even if the appointment of a chief Officer is conceded for a moment, it is necessary that the person ~~be elected~~ must be duly qualified man having a sound Knowledge of engineering and Sanitation We are of opinion that the present chief Officer is only a clerk deplorably lacking in engineering Skill, Officer ~~ly~~ wanting in Sanitary experience We regret to state this fact, but the interest of the Municipality requires, that we should express our feelings in unequivocal terms.

For the above said reasons we humbly pray that you Sir, will make most expedetions orders in this behalf that effectively putting an end to any more waste of public funds

We beg to remain
Most honoured Sir,
your most obedient and humble
Servants
